SAVE TIME AND IMPROVE YOUR CHOIR!

We are living in an age where we don't have time to do anything. Worst of all, the demands of achieving professional excellence is at an all time high. Don't let the pressure get to you. **Mark Records** has an **easy** way to help you **improve professionally** and take advantage of some time you may have that isn't being efficiently used.

You spend time each day commuting to and from work. Why not use that time to study scores and listen to new music. Huh? Study scores while you drive? We aren't suggesting that you study scores with your eyes, but with your ears. **Mark Records** has one of the largest selections of CD recordings that cover just about every musical selection you might wish to perform. You will be able to hear our industry's experts such as **Henry Leck, Anton Armstrong, Paul Salamunovich, Peggy Detweiler, Linda Tedford, Janet Galvan, Kenneth Davis, Jerry Blackstone, David Rayl, Z. Randall Stroope, Eric Whitacre, Jo-Michael Scheibe, Ken Fulton** and countless others interpret the same music you are performing.
What an efficient and smart way to drive to and from work!

How can you achieve this? You can visit our website, www.Markcustom.com, click on the "Music Store" tab on the left side of the page and search our online database for over five thousand song titles and purchase them too! All from our secure website.

In this world, no one gives you something for nothing. But, with a small investment and **Mark Records**, you can have a master class in musical interpretation by our "vocal" leaders. All this for the cost of a CD.

Mark Records, helping you do your job better.
